# A reminder of God's unconditional grace and love for you.

Justin, there was [a great reminder in Wolfgang's message yesterday](#) that hopefully encouraged you today...there is no sin that is too great for God to forgive. No person has ever sinned more than what God's grace can cover.

We see this truth in Romans 5:6–8, when it says says...

*"You see, at just the right time, when we were still powerless, Christ died for the ungodly. Very rarely will anyone die for a righteous person, though for a good person someone might possibly dare to die. But God demonstrates his own love for us in this: While we were still sinners, Christ died for us."*

This is grace...crazy, dangerous grace.

Even the darkest thing you've ever done, God can and will forgive.

Why?

[Like Wolfgang said](#), as great as those sins are, grace is greater. As powerful as those sins were, grace is more powerful. However big the pile of sin, there is a bigger pile of grace.

## Serving as a family

### Community Serve Day

Last year, many families served together on Community Serve Day. Parents had a lot to say about how their kids jumped right in to serve our schools.

### **High School Camp Update**

Would you pray for our High School students and leaders who are at summer camp right now? Pray that God would move in a powerful way in their lives. There are 39 students on this trip, and 9 volunteers.

## Book Recommendation

### The Knowledge of the Holy

Tozer's book is a great resource [to supplement Sunday's message on the love of God](#). *"The apostle John says frankly that God's purpose in creation was His own pleasure. God is happy in His love for all that He has made."*

## **Community Serve Day 2023**

Registration is now open for the whole family to join in on Community Serve Day! We will close the doors of our Kirkland campus for one Sunday morning to volunteer at 30 local public schools. This is a day to help teachers and staff prepare for the first day of school. Sign up today! Plus, this year we're inviting those who live in Mill Creek, Bothell, or the surrounding areas to serve at Ruby Bridges or Fernwood Elementary.
